## Welcome Message

Dear Delegates,

We're thrilled to welcome you to the 13<sup>th</sup> Midterm SPOSI CON Pearl Conference! This premier event brings together leading ophthalmologists, researchers, and industry experts to share knowledge and advancements in pediatric ophthalmology and strabismus care.

On behalf of the Executive Committee of the Strabismological Society of India, We take great pleasure in extending a warm invitation to all of you to attend the 13th Mid-term SPOSI PEARL, to be held on 6th June 2026 (Pre-conference Day) and 7th June 2026 (Conference Day) at Sarojini Devi Eye Hospital Auditorium, Hyderabad, Telangana, under the aegis of the Hyderabad Ophthalmologists Association (HOA). This conference is being organized by the LOC headed by Dr. Y. Raman and LOC Chairman, Dr. P. Modini.

**Hyderabad**, the Pearl City of India, is a vibrant blend of rich heritage and modern innovation. Once the world's only trading centre for the legendary **Golconda diamonds**, the city continues to shine with iconic landmarks such as **Charminar**, **Golconda Fort**. Adding to its contemporary charm are **Birla Mandir**, **Statue of Equality**, and the dynamic HITEC City with its Cyber Towers and Durgam Cheruvu Cable Bridge. Renowned for its world-famous Hyderabad Biryani, Hyderabad offers the perfect setting for an inspiring and memorable conference experience.

Set against the historic backdrop of the Pearl City, the conference offers a unique platform for close academic interaction and exchange of ideas with distinguished national faculty in Strabismus and Paediatric Ophthalmology. An enriching scientific programme awaits, complemented by opportunities for social interaction, indulgence in exquisite local cuisine, and unforgettable sightseeing experiences-making this a truly memorable academic gathering.

To avoid last minute rush for travel and accommodation, kindly plan your itinerary in advance. You are also requested to register early to help the LOC plan the event better. In the event of any difficulty kindly don't hesitate to contact me or the LOC under the dynamic stewardship of Dr. Y. Raman.

We look forward to welcoming you to **Hyderabad**.
